### PRESS RELEASE

#### Pogoda Companies Adds Three More Properties to its Management Portfolio in May 2020

Farmington Hills, Michigan  
Wednesday, June 3, 2020

It was a very busy May 2020. Pogoda Companies is pleased to announce the addition of three more properties to its growing management portfolio. National Storage Centers - Royal Oak, A Plus Self Storage - Flint, and A Plus Self Storage - Swartz Creek have joined the family of trademarked locations managed by Pogoda Management Co.

**National Storage Centers – Royal Oak** offers 293 units with a mix of multi-story heated interior spaces, ground level heated drive up spaces, 20 RV/Boat parking spots and 123 USPS P.O. Boxes. The facility offers a total of 33,373 square feet of rentable space.

**A Plus Self Storage – Flint** comprises 594 units with a mix of climate controlled and drive up spaces, as well 29 RV/Boat parking spots. The facility offers a total of 94,610 square feet of rentable space.

**A Plus Self Storage – Swartz Creek** comprises 585 units with a mix of climate controlled and drive up spaces, as well 14 asphalt RV/Boat parking spots. The facility offers a total of 94,555 square feet of rentable space.

Recognized for their experience and management expertise, Pogoda Management Co. is able to provide their owners with unparalleled service. “With our proven management techniques, industry knowledge, and strong presence in the local market, we are confident that we can produce outstanding results,” says John George, Executive Vice President of Operations. “Philosophically, we are focused on increasing income through disciplined use of Revenue Management while, at the same time, decreasing expenses. This aligns us with the owner’s goals and the reason they hire us.”

For more information regarding these contracts, please contact John George at (248) 855-9676 or [jgeorge@pogodaco.com](mailto:jgeorge@pogodaco.com).
