## Self Storage Specialists

### PRESS RELEASE

Pogoda Companies Adds 6 Properties  
Farmington Hills, Michigan  
Monday, December 20th, 2021

---

Pogoda Companies closed out 2021 with the acquisition of 6 self-storage properties; a 5 property portfolio in Indiana and Kentucky and an additional property in Michigan. These purchases add 359,918 square feet and 2,819 units to Pogoda's growing portfolio.

Pogoda pursued an aggressive growth strategy in 2021 and purchased 12 self storage facilities. It expects to buy a similar number of storage properties in 2022.

The properties have been rebranded under Pogoda's trademarked name *National Storage Centers*.

**National Storage Centers - Evansville  
Mount Vernon (Indiana)**

**National Storage Centers - Owensboro  
W. 4th Street (Kentucky)**

**National Storage Centers - Owensboro  
W. 5th Street (Kentucky)**

**National Storage Centers - Owensboro  
Highway 144 (Kentucky)**

**National Storage Centers - Owensboro  
Salem Drive (Kentucky)**

**National Storage Centers - Monroe  
(Michigan)**

Michael Pogoda, Vice President of Acquisitions, spearheaded these purchases and commented: "Pogoda Companies was able to purchase these properties off-market and expand our presence into two new states. As one of the country's top self storage owner/operators, we are excited to bring our institutional management platform to these stores. We expect to achieve substantial economies of scale to add economic value and deliver a great return to our investors."

---

Pogoda Companies ([www.pogodaco.com](http://www.pogodaco.com)) is one of the largest self storage owner/operators in the country, consistently ranking among the top 25. It has over 3.75 million square feet of self-storage space in 58 storage centers in Michigan, Kentucky, Ohio and Indiana. The company is based out of Farmington Hills, Michigan and operates

its stores under the trademarked name National Storage Centers. It is aggressively looking to buy more self storage properties throughout the Midwest.
